1976 GOLDEN WINGS

Volume VIII

Council McCluer

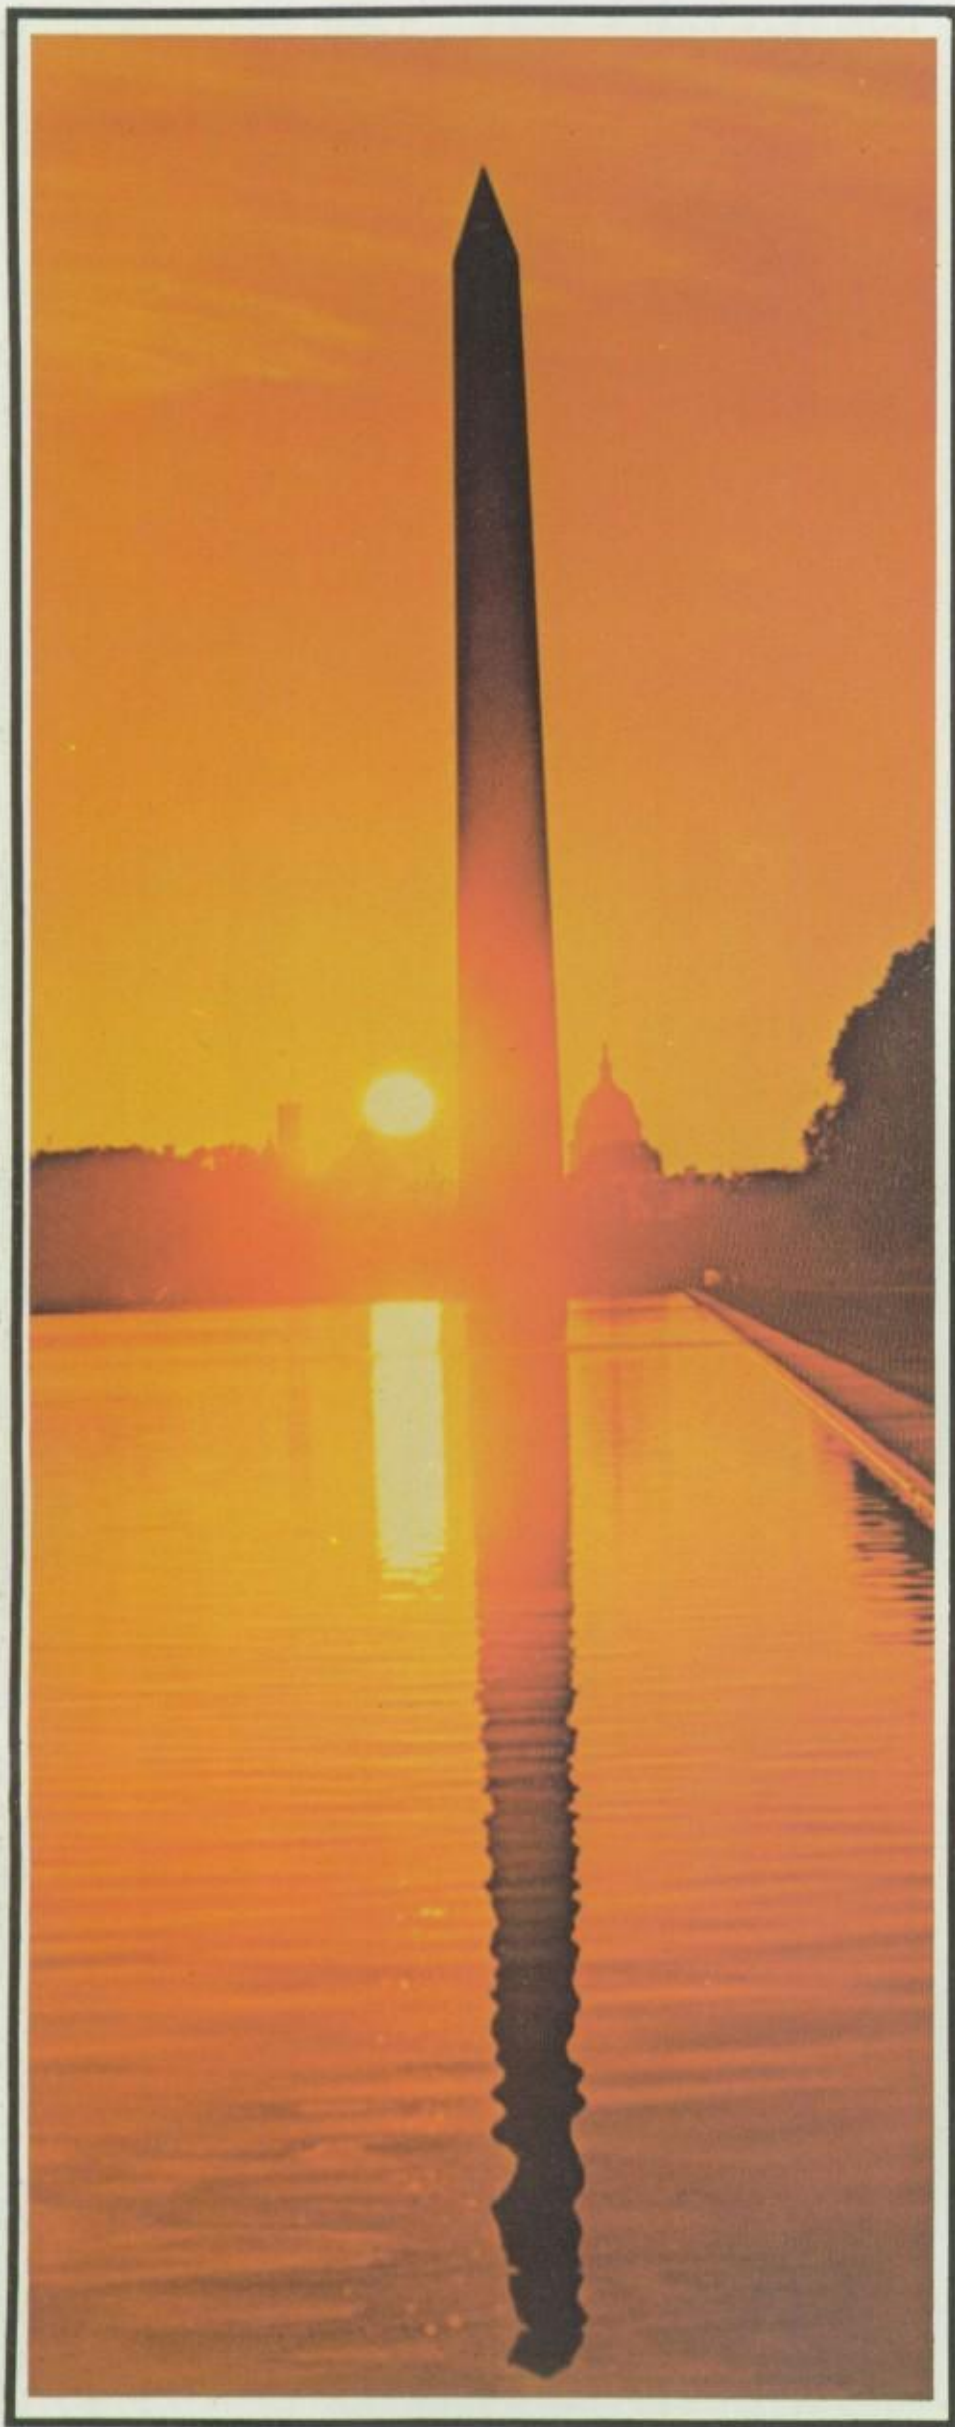

Jackson, Mississippi

Mrs. Ruth Lewis

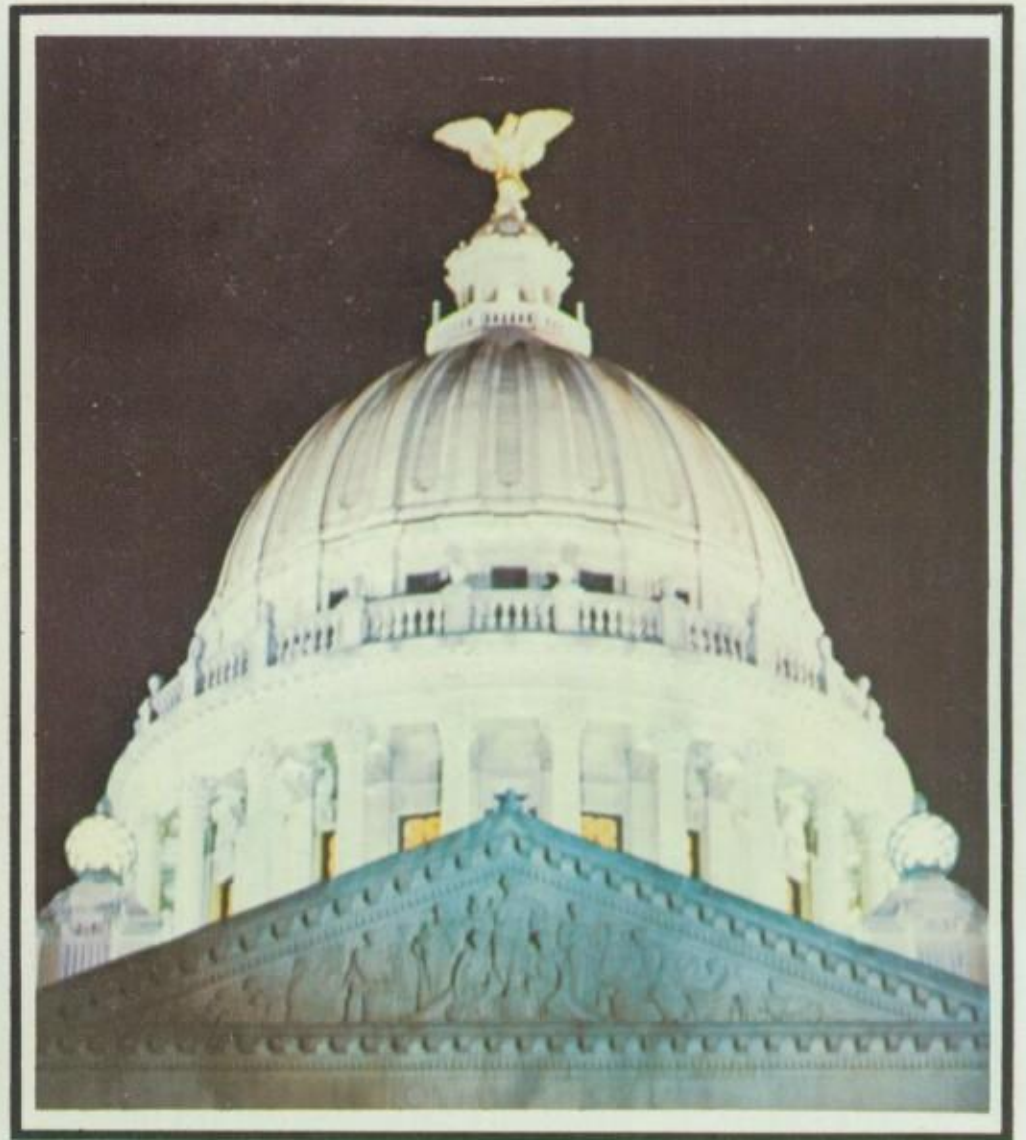

advisor

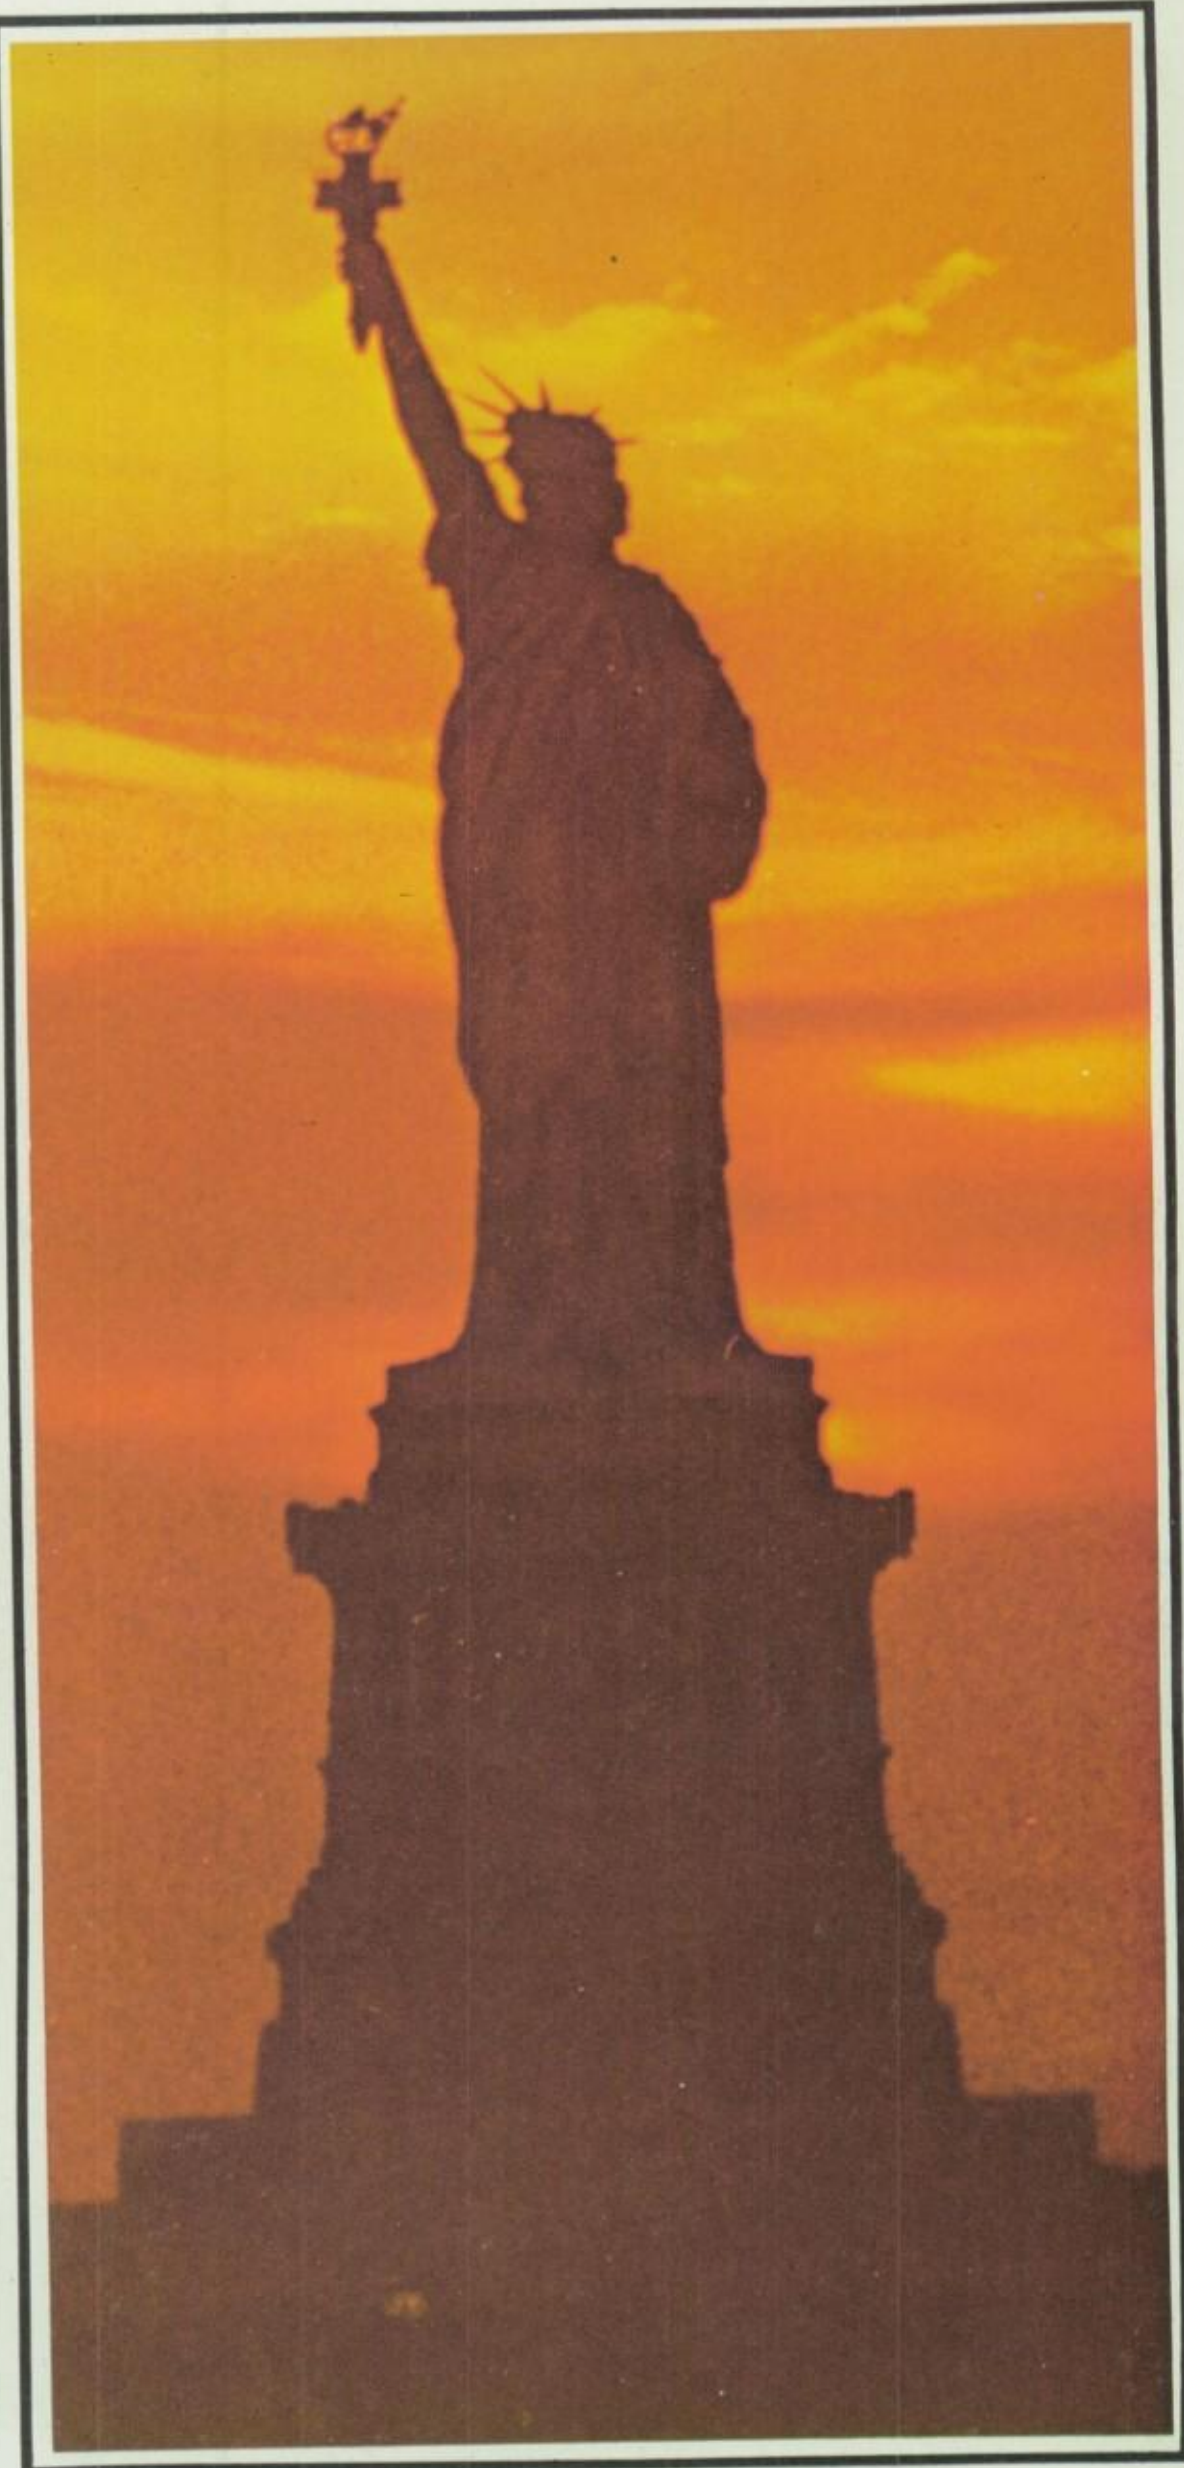

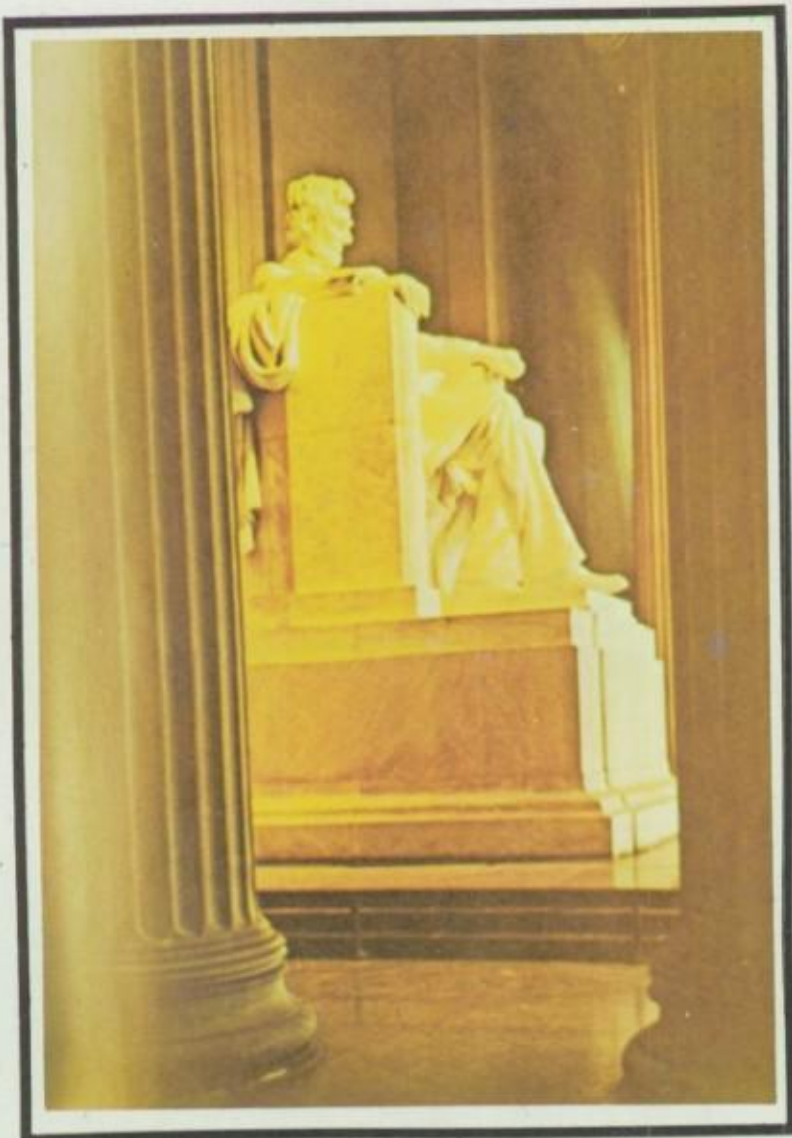

Don Patterson

editor

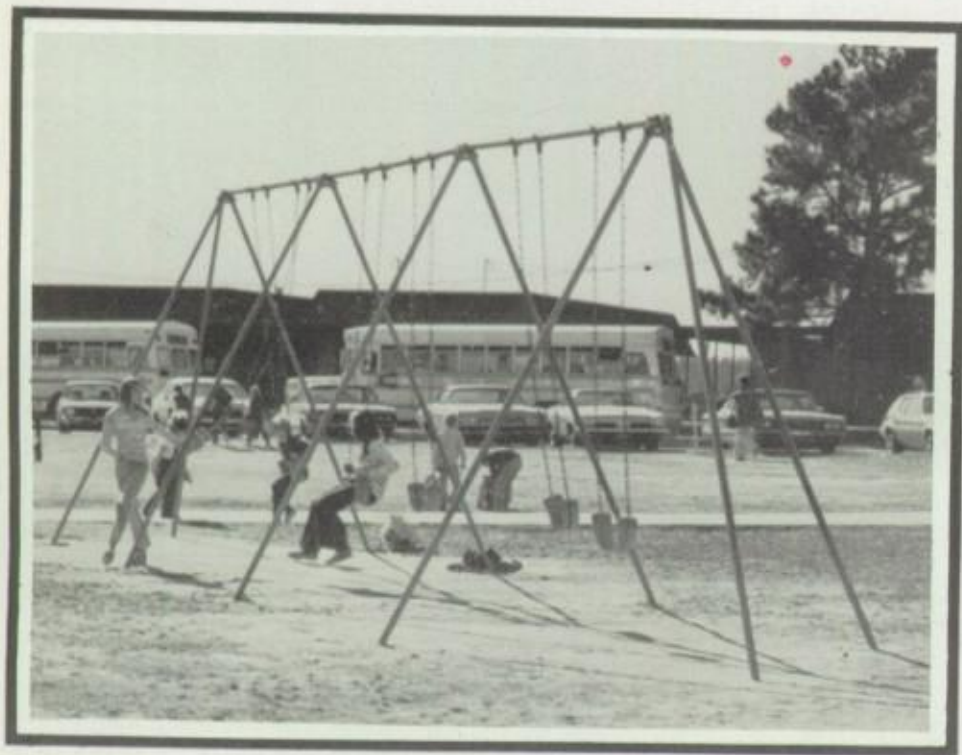

The sights and sounds
of 1976 are silent, but
our cherished memories
will never die.

America is a part of our past;
we are a part of her future.

God grants liberty only to those
who love it, and are always ready to
guard and defend it.

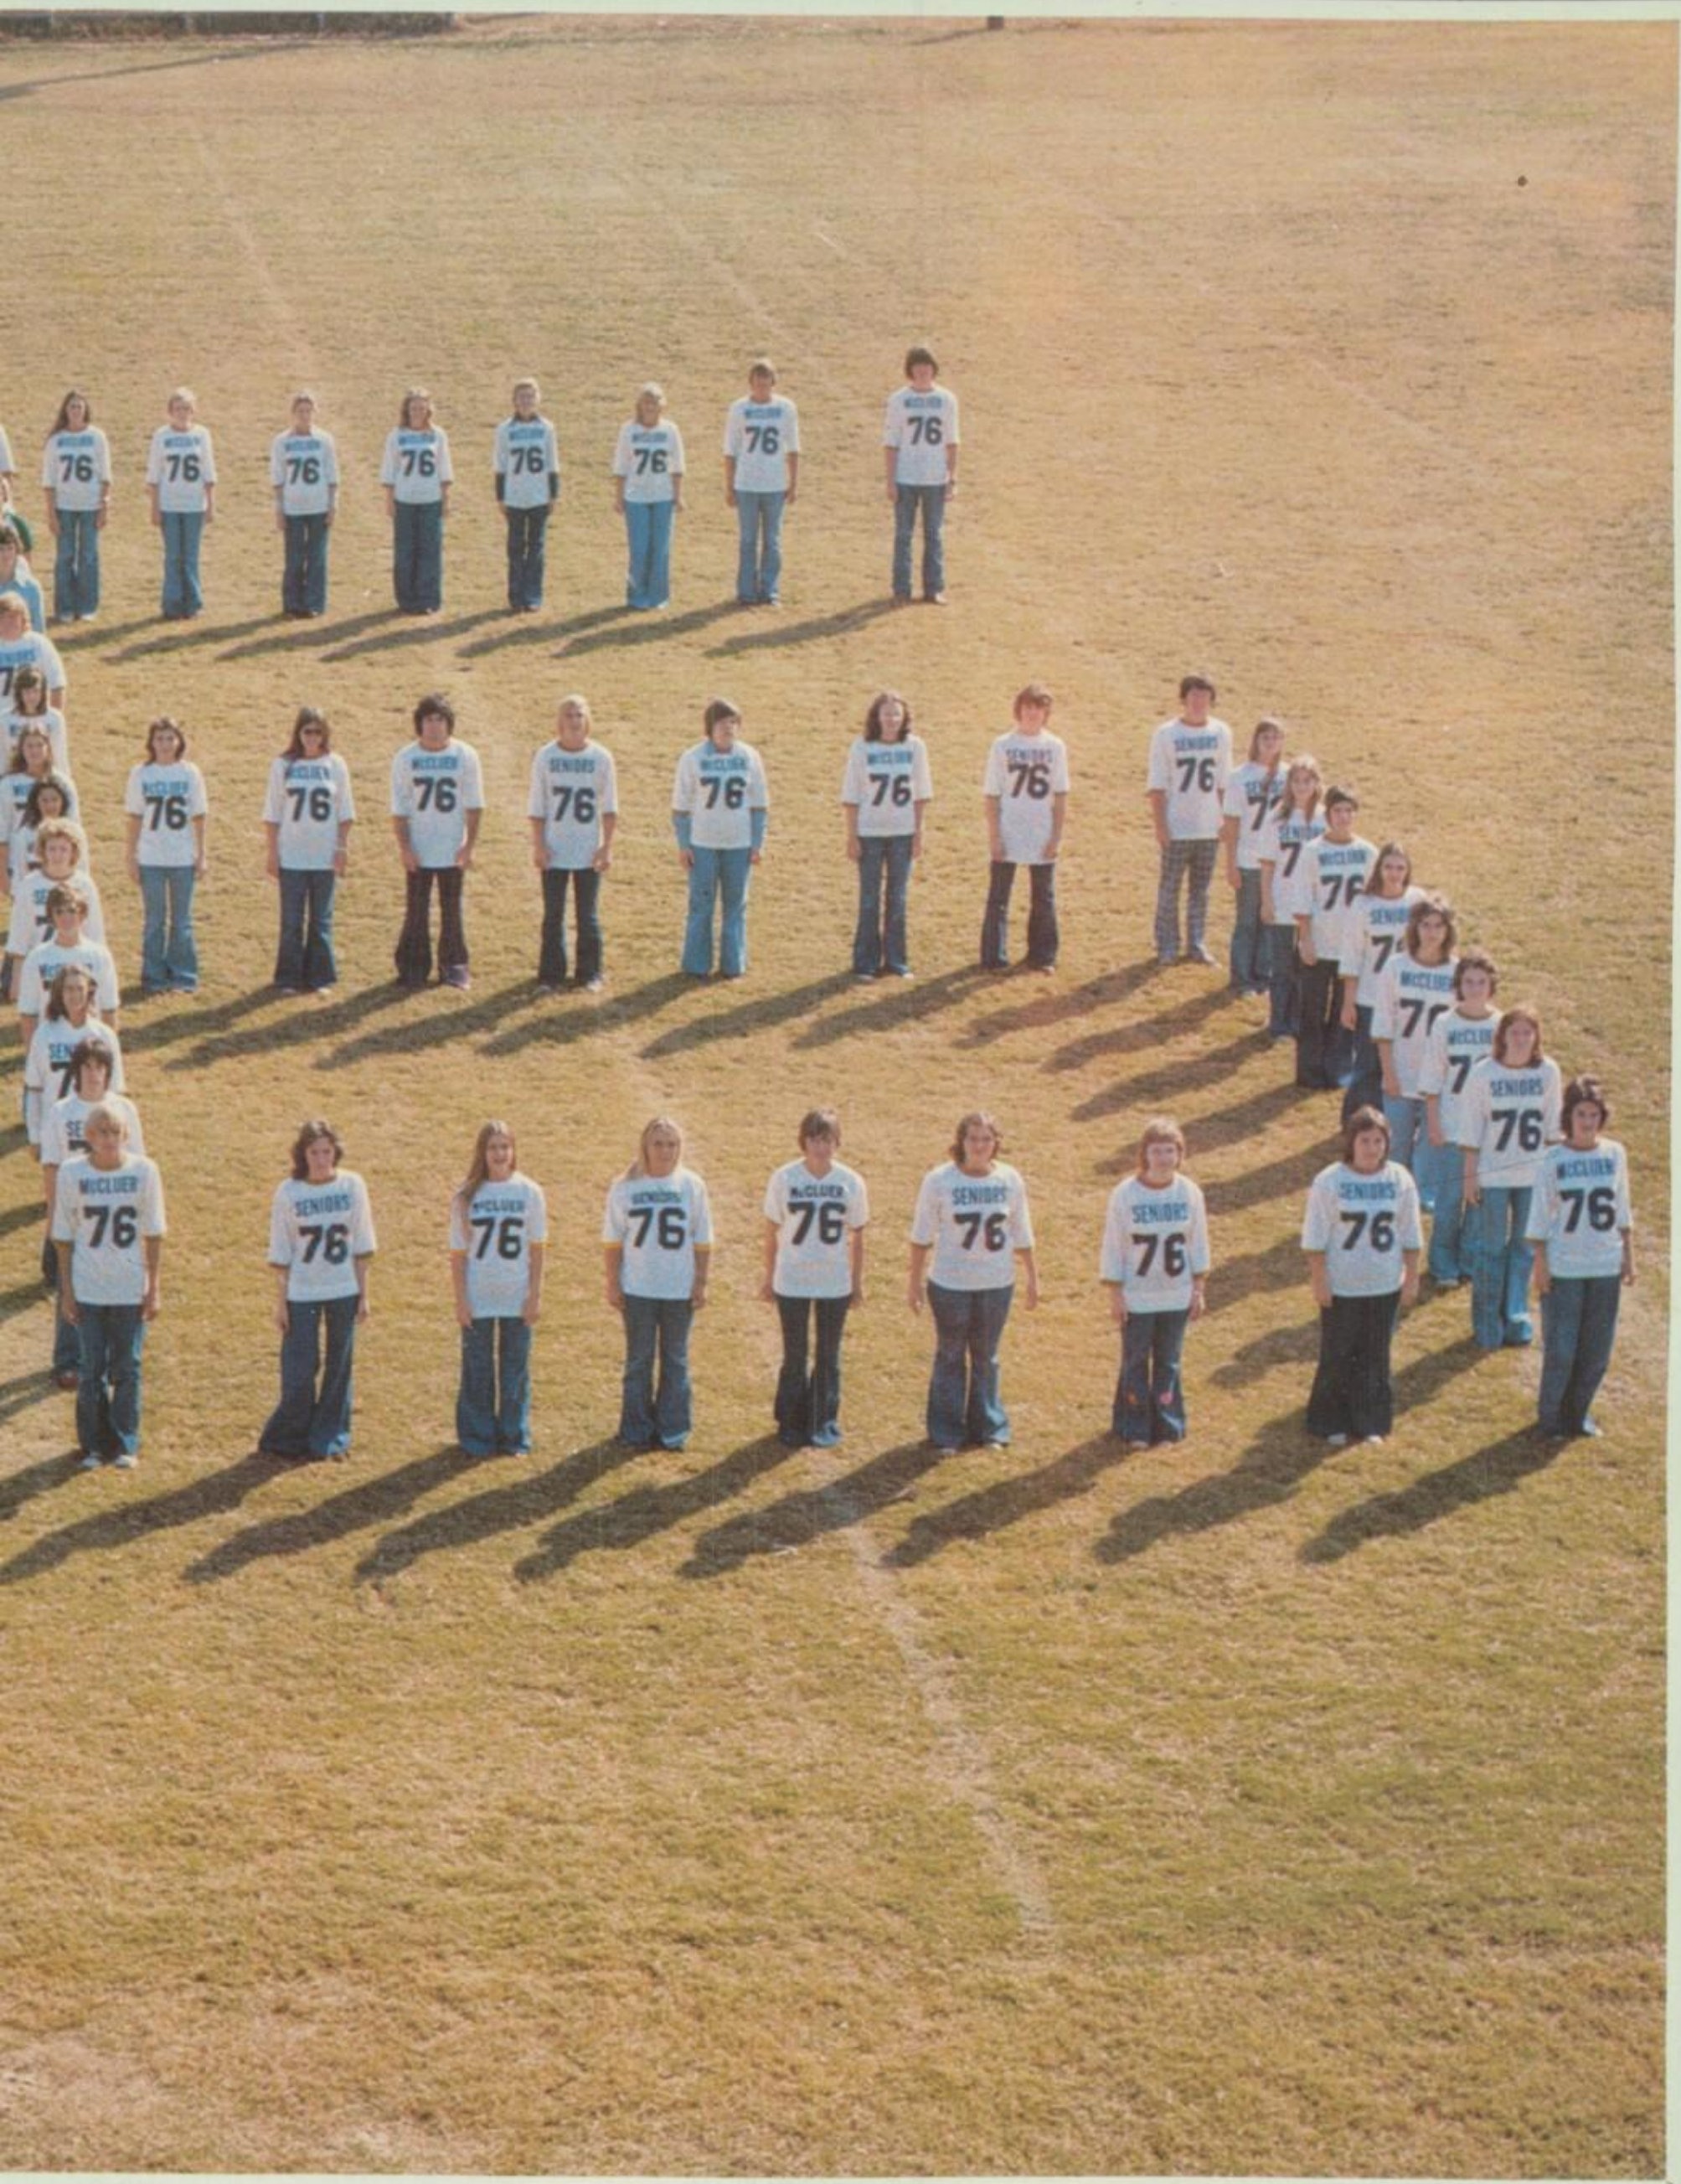

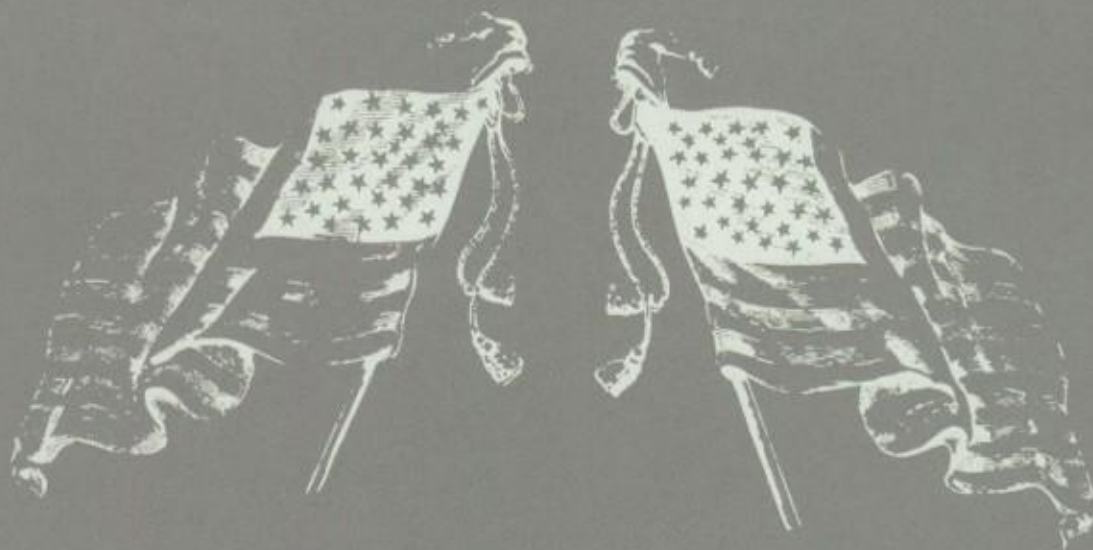

When Freedom, from her mountain height,
Unfurled her standard to the air,
She tore the azure robe of night,
And set the stars of glory there!
She mingled with its gorgeous dyes
The milky baldric of the skies,
And striped its pure, celestial white
With streakings of the morning light;
Then, from his mansion in the sun,
She called her eagle-bearer down,
And gave into his mighty hand,
The symbol of her chosen land.

From THE AMERICAN FLAG

By Joseph Rodman Drake

In appreciation for the many efforts made to the students and to the school as a whole, the 1976 GOLDEN WINGS is dedicated to a more than deserving person—Mrs. Ruth Lewis.

A Message From Mr. Patterson:

I would like to take this opportunity to thank the students, faculty, staff, and the patrons of Council School 2 McCluer for making this a great year. The cooperation has been great all year long and due to this, we were able to make great strides forward. The efforts of the students and faculty of McCluer this year have contributed greatly to the standard of quality education we all desire.

This was especially a rewarding year for me since it was my first as Headmaster at McCluer. I feel that the students, faculty, staff, and I have learned a great deal together.

I would like to congratulate the Golden Wings editor, staff, and their sponsor for their outstanding efforts in making this the greatest yearbook. We can look back on this book for years to come and many great memories will come to mind.

My best wishes go with the graduating class of 1976.

1976—A year to remember. With this book we hope to help you do just that.

As editor of the annual, it was my charge to see that a picture of a year at McCluer was told. Knowing that an objective view would be impossible, we put the things as we saw them. We, the 1976 *GOLDEN WINGS* Staff—as unique and individual as they come—bonded our ideas and insights together in hopes to present to you a good picture of 1976. I would like to thank everyone on the staff for their work throughout the year. My special thanks go to those who even stayed after the school year to help meet the final deadlines.

1976 was extra special to me, mainly because I was a Senior, but for many other reasons, it is a year I'll never forget. 1977, 1978, or any other year can be just as special to you—but only if you put out a little extra effort to make it that way.

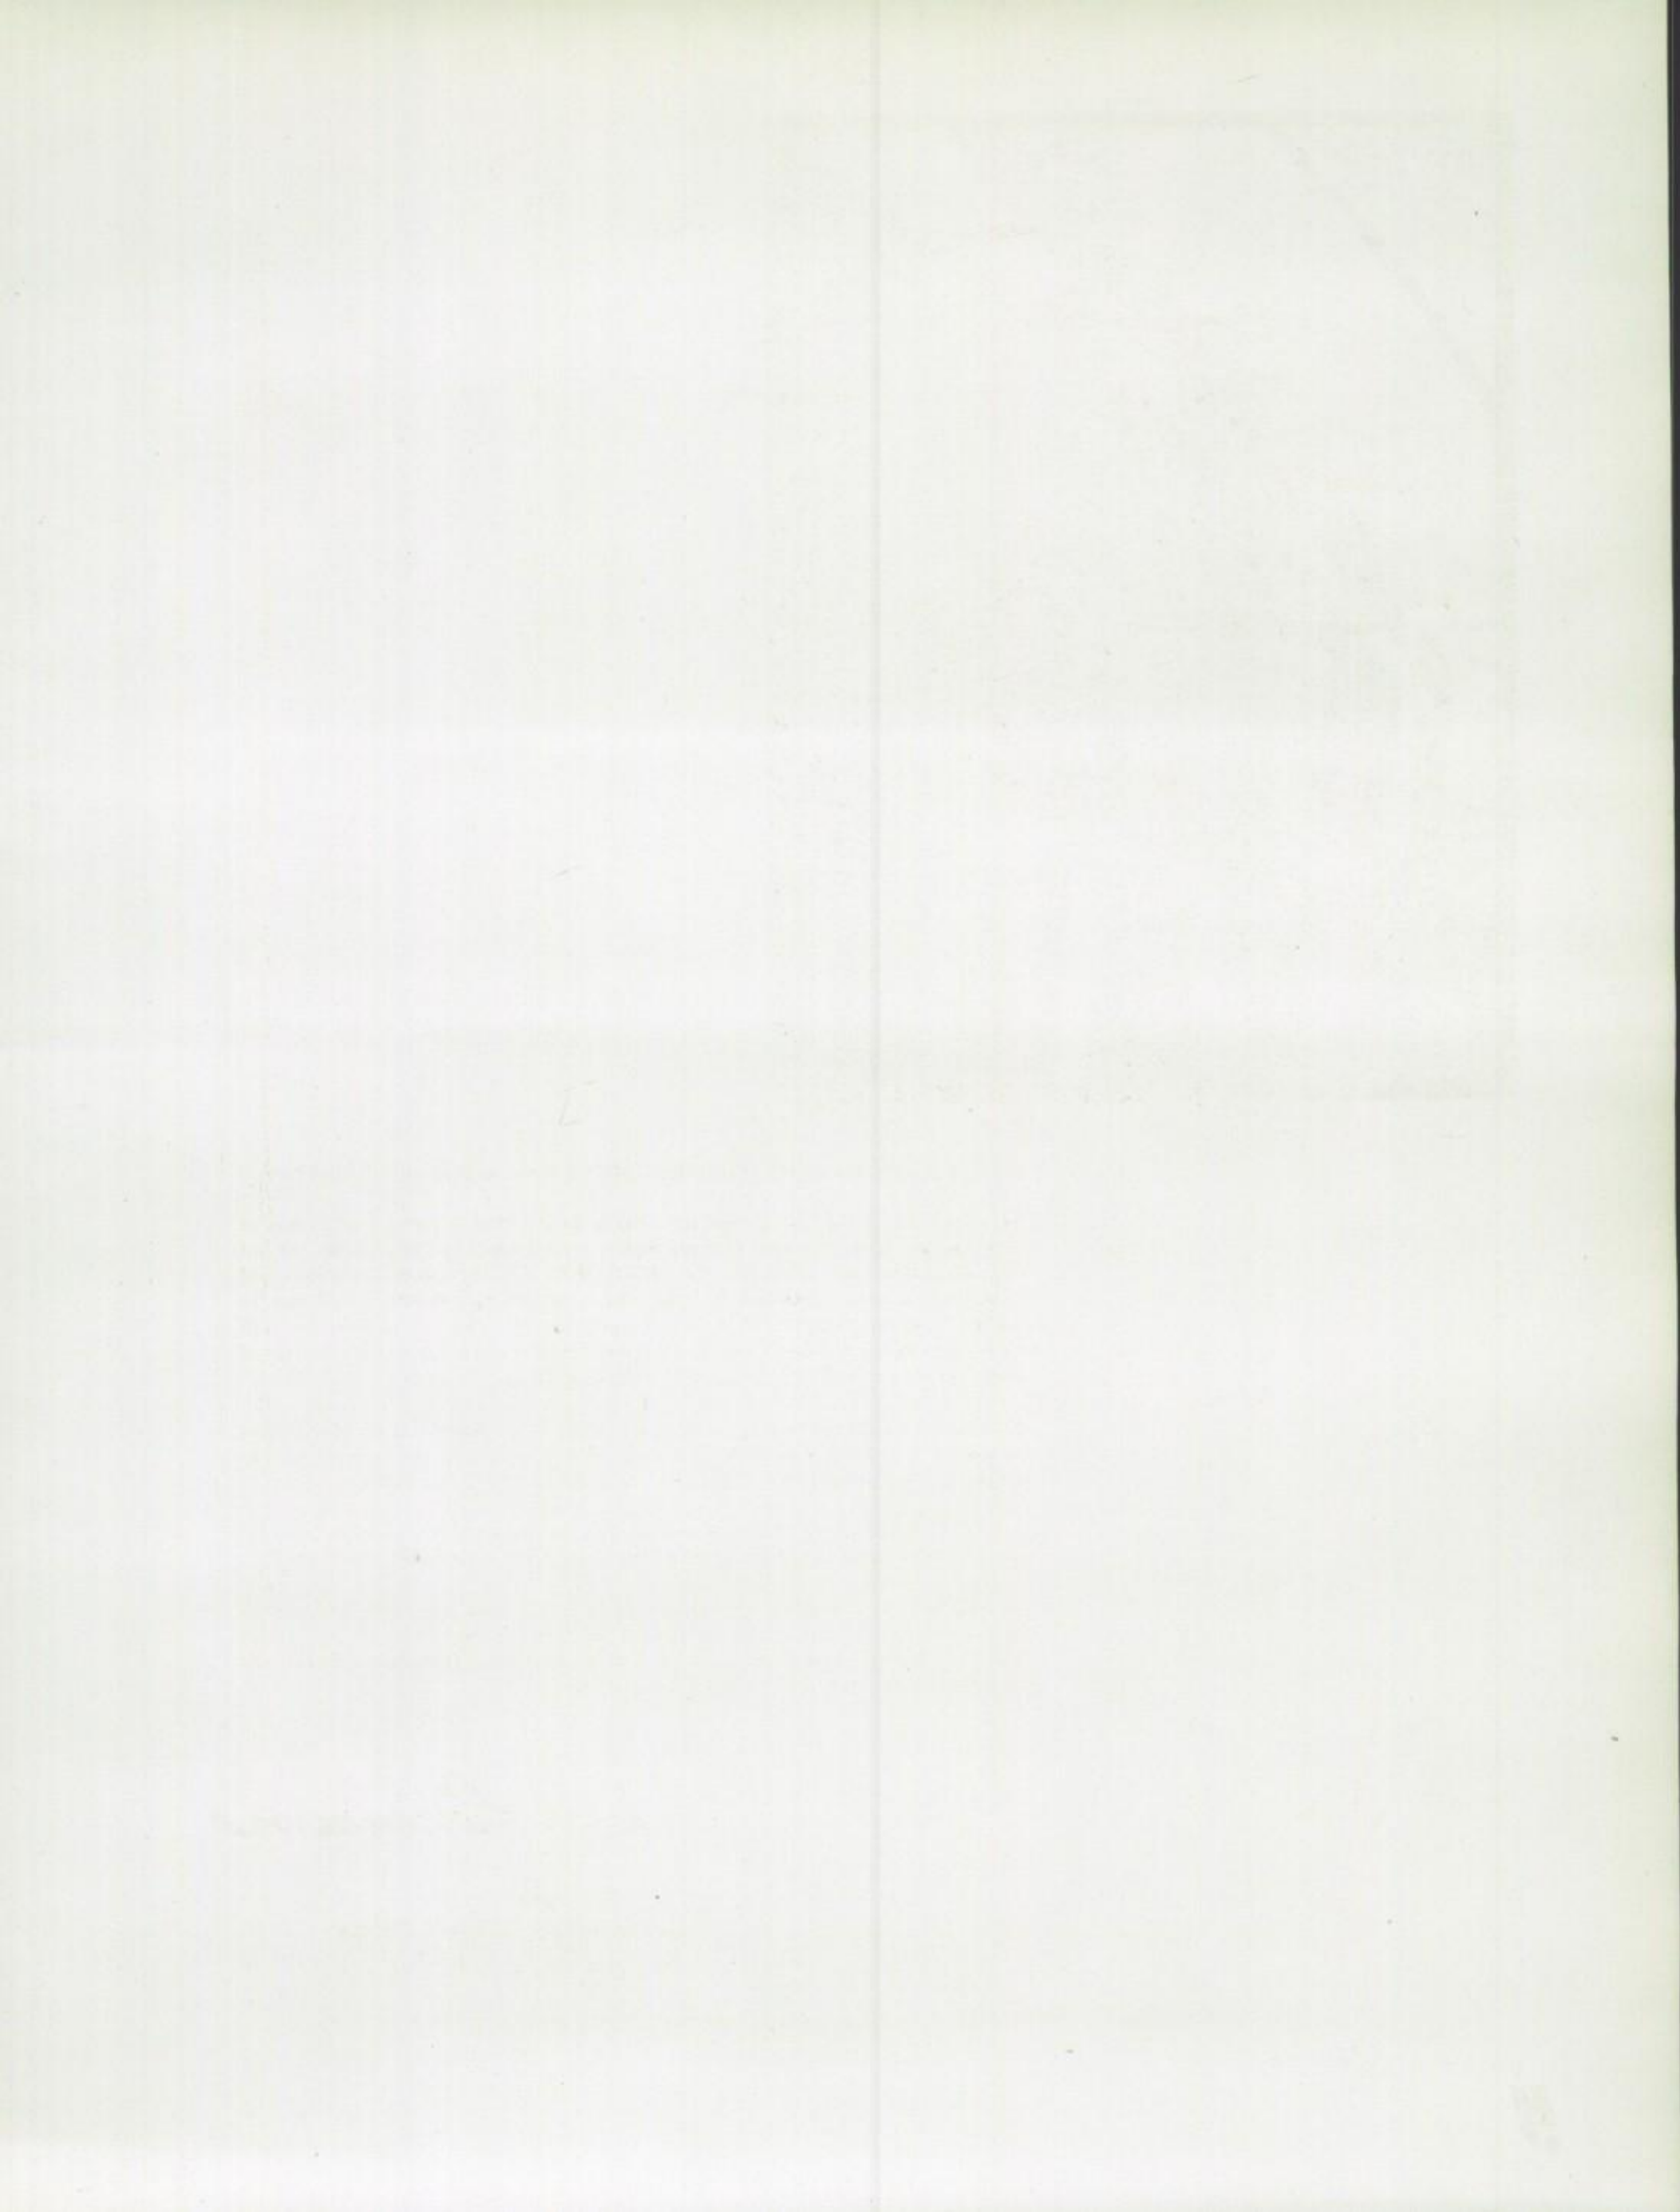

A special "Good Luck" goes to Cindy Germany and next year's annual staff, as they attempt to do next year some of the things that I probably never could.

For the Seniors, a broad future lies ahead—one with many opportunities. As each go their separate ways, they will always have the memories of their years at McCluer—being together with the friends made during that time. My sincere thoughts and prayers will be with them always.

Kay,
It feels kinda funny
not playing basketball
but I can't help it.
I hope you'll go all the
way because you've got
to people to do it with.
I enjoyed playing basketball
with you last year, Good Luck!

Love,
Linda

Kay,
I hope you enjoyed
playing basketball
with us and this
year and also your
team. You are
a very nice person
and I wish you
good luck in the
coming years.
Love,
Donna

Kay,
What can I say? We
haven't been real close
friends and I hope we
will become - Since we
didn't play on the same
team last year was
one of the reasons - Hopefully
we can win overall
tomorrow!!!
Be good & Love
Always,
Frankie

Kay,
Hi I'm glad
you go here, you've
got a nice smile
that lights up this
school. Well I wish
I had more room.
Stay the way you are!

Donna
